

One tasty pizza paper

A cheesy template

1 Introduction

I'm not using pure Latex because tooling with Pandoc is fun, and Latex error stack traces burn my retinas.

Here, I reference (Gallus, Tavani, and La Vecchia 2004). Let's hope this works.

<i>hey there</i>	(1)
<i>sonny jim</i>	(2)

2 My first argument

Pizza exists. Quod erat demonstrandum.
